

Dear Parents,

At the last library class I told the children my four dearest wishes and that they could make them all come true! I'm telling you my wishes because the children will need a bit of your help to make them come true.

Here are my wishes:

1. I wish all the children would visit the public library this summer.
2. I wish all the children would play outside this summer, especially games of pretend.
3. I wish all the children would visit or Skype with grandparents this summer.
4. I wish all the graduating children would come back to visit us at IPS.

Here is your summer reading list. Please know that there might be a title of interest for your child in a different age group.
